### **WEB/INTERNET-RELATED CREDITS (1993–PRESENT)**

Management of VW Tapes (vwtapes.com) ecommerce site. Site includes 8,000+ products including downloadable MP3s from 2001 through present (2015). SEO, HTML, data management, and image editing. Also original development of dropthebigone.com, juliahennie.com, soundshawaii.com, and chocolatemovie.com.

Conversion of The Triangle Cookbook from Framemaker to LibreOffice to XHTML for import into a WordPress site (trianglecookbook.com). Continuing maintenance of site and companion blog.

Content management and site maintenance for OU Campus v10 and v9 support sites. Also, eblasts, video and image editing, XML/XSLT templating, HTML/CSS, and troubleshooting.

Server-side installs and maintenance of web applications including WordPress, Drupal, phpBB, Omeka, and others.

Web site re-write for Pacific Oil Company.

Development of <http://www.whatsthewarcost.com>.

Nine O’ Clock Players Web Site Maintenance (2008–2012): Editing HTML, flash, and images.

HTML email design for Wilshire Conferences (2008), SemTech Promotional Email Blasts.

Online publicity, Internet marketing, press releases, Internet research, HTML email design, and Web development for Hawaii Internet Emporium clients (1995–2004). Included database integration, user testing, writing test cases, writing help for using the site, and proofreading for NAFJOBS.com (2002) and maintenance for The Ihilani Spa and Resort and First Night Honolulu 1997.

Taught “Electronic Marketing” and “Internet Marketing” for Hawaii Pacific University and University of Hawaii Continuing Education. Teaching supplements for Electronic Marketing and Internet Marketing classes. Each week’s assignment was posted online and included links to supplemental material.

Internet research for the Open Source project.

“Makakilo Hale” began circa 1993 and grew to several sections of more than 80 “pages.” Sections included Hawaii Careers, Twins, Articles, Slovenija, and others. (Originally at <http://www.lava.net/~kbucar/>; now defunct.) Hawaii Careers was the first Hawaii-related jobs site listed at Yahoo! for Hawaii jobs.

League of Women Voters of Hawaii Web Site—Design, development, content management, graphics creation and maintenance. Created banners, buttons, and navigational elements. Was about 130 printed pages. (Current site at <http://hi.lwv.org/>, but not my original work.)

Honolulu Writers Conferences—Pages based on the brochures for the conferences.

Hawaii Golf Web Site: Provided maintenance of site based on Hawaii Golf Magazine including graphics conversion.
